

This Map is to help you navigate your way around West Shore and the surrounding residential streets. It is important that we pray in the streets as we listen for what the Holy Spirit is saying to us through God's Word and how our communities are crying out for the transformation, healing and hope of the Gospel.

Stop often; listen well; pray boldly.

"The phrase "double listening" has always been significant for me. And it means that we're called to listen both to the Word of God, and to today's world, in order to relate the one to the other." John Stott

Points of Prayer

a) **The Lighthouse Community Church Building** - Pray that the building will be used for the glory of God.
Pray for peace and harmony as Hope Restored; Conwy Food Bank and The Lighthouse Community share this building.

b) West Shore Beach – Be Still at this awesome display of God's creations. Take a moment to praise him:

Come, let us sing for joy to the LORD;
let us shout aloud to the Rock of our salvation.
Let us come before him with thanksgiving
and extol him with music and song.
For the LORD is the great God, the great King above all gods.
In his hand are the depths of the earth,
and the mountain peaks belong to him.
The sea is his, for he made it, and his hands formed the dry land

c) Great Orme viewpoint - This is the best vantage point to see the whole of the West Shore Community. If you have the time, walk up here, take in the view and pray for all who live here. Remember Jesus' words as he looked down on Jerusalem and longed for them to say, *'Blessed is he who comes in the name of the Lord.'*

d) **West Shore Baptist Church** – This small independent Baptist is our closest *neighbour* fellowship. Pray that our pioneering approach will complement this conventional fellowship as we each seek to make disciples. *How good and pleasant it is*
when God's people live together in unity! Psalm 133:1

e) Ysgol Ffordd Dyffryn – This is the school closest to The Lighthouse Community church building. Take a moment to pray for the Pupils, staff and parents of the school. Pray that TLC will find ways to be a blessing to them. Do the same at the other schools you come across.

f) Alexandra Stores – This is just one of several small businesses which operate in West Shore. Pause and pray for the owners, management and staff during the cost of living crisis. Pray the community will support them and they in turn will bless the community through the services they provide.

g) Llandudno Football Club – One of several sports clubs in West Shore and its surrounding area. Pray for our eyes to be opened to see the community of sport as God sees it. For us to see how we can be salt and light to the community of sport in our words and deeds. Pray that doors will be opened for Sports Chaplaincy in West Shore. You can do the same at the Rugby Club and Cricket Club.

h) Attlee Close –A good short cut to the hospital, you are crossing a boundary into an area designated as 10% most deprived in Wales. In fact a lot of the residential areas you have just walked through are identified as deprived. The Lighthouse Community aspires to go beyond the walls to connect with The Least, The Last and the Lost in these communities. Take a moment to ask for God's guidance on how we can show God's love and share the Good News of Jesus to our neighbours.

i) Ysgol John Bright – Our Secondary School. The vast majority of pupils are from Llandudno and many live in West Shore. Please pray for Youth for Christ who regularly take assemblies and seek to engage young people for the gospel here.

j) Maesdu Hospital – Our local hospital. Pray for the patients staff and management of this vital healthcare facility.

k) Ty Llywelyn Community Centre – This is where Cafe Church takes place. Pray that we will make disciples in this community space. Pray for the management of the centre and God's blessing on all the activities which take place there.

l) Blessed William Davies Catholic Primary School

m) Llandudno Rugby Club

Pray for ex-offenders: The streets you are walking incorporate social housing. Some residents are people who have recently left prison. The Lighthouse Community is exploring how we can show love and support to them. Pray for the direction of the Holy Spirit and for doors to be opened.
